

Panama City, February 22nd, 2021

Dear Congressman/ Parliamentarian

I am pleased to invite you to participate in the Intelligence and Security Parliamentary Forum co-organized by the Latin American Parliament, Congressman Robert Pittenger, and Crime Stoppers Bermuda, Caribbean and Latin America, which will take place from June 29th to 30th of the current year at the headquarters of our institution in Panama City.

We call on all countries of the region to develop a stronger collaboration between parliamentarians and other key sectors to counter the difficult challenge posed by criminal activities in the region.

Our two-day conference will include parliamentarians and experts from different countries, government officials, international organizations, civil society and representatives of the private sector who will address topics such as cyber security, money laundering, illicit trade, criminal economy, cryptocurrencies, 5G, drug trafficking and other issues related to the fight against terrorism and organized transnational crime.

Your assistance and participation in this dialogue is essential to agree on joint responses and seek the necessary cooperation that accompanies the development of our region that works to face the social and economic challenges of the 21st century.

PARLATINO's leadership stands as strategic to strengthen the interparliamentary alliance to consolidate peace, security and the international and regional legal order. The transnational advance of organized crime forces us to provide coordinated responses among all countries and expand our cross-border coordination.

Please reply to the following email to RSVP. More logistical details and the work schedule will be provided shortly.

Thanks for your interest.

Yours sincerely,

Senador Jorge Pizarro S.
Presidente
Parlamento Latinoamericano y Caribeño
