**CONGRESSMAN ROBERT PITTENGER**  
*Chairman*  
**Parliamentary Intelligence-Security Forum**

Dear Distinguished Colleague:

You are invited to attend the Parliamentary Intelligence-Security Forum in Kingston, Jamaica, 23-24 February, 2023. Prime Minister of Jamaica, Andrew Holness, will give the opening address along with Speaker Marissa Dalrymple-Philibert. We will have special remarks by former U.S. National Security Advisor Robert O'Brien. Briefing the Parliamentary delegates will be the following law enforcement agencies in the region:

- Association of Caribbean Commissioners of Police - ACCP
- CARICOM IMPACS
- Caribbean Customs and Law Enforcement Council – CCLEC
- Caribbean Financial Action Task Force – GAFIC

Caribbean, Bermuda and Latin America Crime Stoppers Foundation and Heritage Foundation are co-hosting and participating in the forum. We welcome you to forward the invitation to your Capitol.

Illicit trade, illicit finance and gun, drug and human trafficking are critical challenges throughout the region, supporting adversarial nation states and terrorists organizations. Contraband from China, including deadly fentanyl, are packaged to conceal from inspection, as it is trafficked through the Caribbean and the Americas to the United States and globally.

We will also have expert panels on global supply chain, energy security, strategic investments and adverse foreign investments.

Your leadership in this dialogue with Parliamentarians attending from throughout the Caribbean, Americas and the world can have a significant impact to address these critical security concerns. Our adversaries are well equipped utilizing a vast array of technology tools that will be discussed by experts at the forum.

Hotel accommodation assistance can be provided for Parliamentarians from developing countries. Please contact [lucas@pi-sf.com](mailto:lucas@pi-sf.com) for inquiries or to confirm your attendance. Speaker Dalrymple-Philibert's invitation letter is attached.

Sincerely,

**Robert Pittenger**  
*Chairman, Parliamentary Intelligence-Security Forum*
